

The Bible Blueprint

A Catholic's Guide to Understanding and Embracing God's Word

JOE PAPROCKI

A highly informative yet fun approach to understanding the world's all-time best-selling book

In *The Bible Blueprint*, best-selling author Joe Paprocki cleverly uses a blueprint metaphor to help Catholics gain a solid understanding of the structure and organization of the Bible, and to help them build confidence in navigating its pages. Among other topics, Paprocki covers the different genres of biblical writing, key figures in biblical history, the methods Catholics rely on to interpret the Bible, and how to use commentaries. Witty cartoons, sidebars, and quizzes throughout the book keep the tone fun; eight perforated Bible bookmarks (four for the Old Testament, four for the New Testament) are bound into the book.

For the large number of Catholics who have never felt comfortable with the Scriptures, and for any Catholic new to the faith, *The Bible Blueprint* serves as an effective, nonthreatening introduction to God's Word as well as a gateway to a deeper relationship with Christ.
