## Passion and Resurrection Activity Centers

This Lenten activity may be of more interest to catechetical leaders than to catechists, however, knowing catechists, they will be able to find ways to adapt some of the activity centers to their classes. Following is an [Intergenerational Event](#) which is designed to conclude with a Good Friday prayer service.

### **Activity Centers for Intergenerational Event: The Passion and Resurrection of Our Lord**

This entire [intergenerational event](#) is available on the [Loyola Press Web site](#). Here is the description:

There are 10 Activity Center suggestions from which to develop your event. Use them all or choose those best suited for your gathering space, time, budget, and volunteer availability. They're easy to follow and designed to work effectively as described. You can start small one year and add, adjust, or adapt activities from year to year. The Intergenerational Event is designed to conclude with a Good Friday Prayer Service, which incorporates the Agony in the Garden Drama.
