

# 40 Ideas for 40 Days

from Joe Paprocki

## Jesus in the Garden

This Lenten activity is a Blackline Master from the [Finding God](#) Catechist Guide, grade 6.

This Blackline Master provides illustrations of the scene of the Agony in the Garden and invites young people to create a garden scene by coloring the illustrations, cutting them out, and arranging them (gluing them into place) on dark blue construction paper. Click on the following link to access the Blackline Master.
