Last Supper Craft

This activity is called **Last Supper Craft** and comes to us from a Web site called Catholic Icing. It is ideal preparation for Holy Thursday and is based on Leonardo da Vinci's Last Supper Painting. The nice thing is that Lacy, the host of the Web site, is kind enough to share her printables which make this craft possible. She has a nice tutorial that leads you step by step through creating this simple work of art. Thanks Lacy!
