

SCRIPTURE SEARCH Name _____

Last week, we learned how to divide the Bible into 8 smaller sections using bookmarks to make it easier to locate stories and passages. Let's get some more practice! Work in pairs (if you wish) to locate the following passages in your Bible and write in the page number on which it is located.

Section	Bible Story	Page Number
Pentateuch	The Ten Commandments (Moses)	
History	The Building of the Temple (King Solomon)	
Wisdom	Psalm 23 (The Lord is my shepherd)	
Prophets	Daniel in the Lion's Den	
Gospels	The Visit of the Magi (Wise Men/3 kings)	
Acts of the Apostles	Saul's Conversion (St. Paul)	
Letters	The 1 st page of the 2 nd Letter that Paul wrote to people in the city of Corinth	
Revelation	The story of the 7 th Trumpet
