

*[Customize this letter to meet your parish's needs and print on parish letterhead.]*

Dear [Program Name] Participants,

Thank you for signing up for the [parish name] Lenten experience, [program name]. We are delighted that you made this commitment to Christ and to our parish. Each small group is made up of an intergenerational and diverse group of believers from our parish family. Thank you for committing to growing in fellowship and relationship with one another and with our Lord.

Enclosed is your small group's scheduled meeting day, time, and location. Don't forget that you are going to be meeting in the home of a host family. Take note of the address and feel free to call your small group leader or host for directions or with questions. Please plan to arrive at the first meeting a few minutes ahead of time. Also, please be sure to call your small group leader if you will not be able to make a meeting.

You will receive your small group discussion materials at your first meeting.

Lastly, please pray with us that God will bless each small group member in a special way. Our planning team is praying for you.

Peace,

[Group Coordinator's Signature]
