

Kindness Angels

Dear Family,

Thank you for agreeing to host an angel in your home over the next few days. We are excited to see the ways our families choose to share kindness with each other and with the larger community!

A few notes of importance as you welcome your guest:

1. Your angel is due back by **Sunday, December 20th/Tuesday, December 22nd**, so that he or she may travel to the next home.
2. Please keep your angel in a prominent, easily seen, but safe space and return him/her in the box provided.
3. Your angel does not need to travel through your house or take part in silly mishaps. He or she is simply meant to serve as a reminder to be kind to others and to perform acts of kindness over the time of their visit.
4. Please read the short story provided with your child/children.

5. Lastly, please return your angel, its story, and the enclosed form with a picture of your children or family with the angel and a short description of the acts of kindness performed. We hope to be able to share and display these.

Again, thank you for welcoming a kindness angel into your home. We hope it inspires more generosity of spirit, more caring and compassion, and more conversation about the ways we can all work towards making our homes and world a kinder, more loving place!

Advent Blessings,
