

PRAYER

for Class Preparation

Written by Julianne Stanz

Holy Spirit, be with me as I prepare to teach these children of God. Give me the words to speak the name of Jesus to my students with compassion and love. Attune the ear of my heart to listen for opportunities to pray with my students. Help me to look for moments to be your voice, hands, and heart to all those whom I encounter today. I ask this in Jesus' name. Amen.
