

Jesus, sometimes you told stories, other times you performed miracles. Sometimes you spoke for long stretches, other times you said very little. Sometimes you used images and metaphors, other times you spoke quite directly. You seemed to know what was right for the appropriate people at the appropriate time. Help me to choose the best way to bring your word to life for those I teach so that glory may be given to your name. Amen.

Prayer from *The Catechist's Toolbox* by Joe Paprocki.
