

St. Paul was the first to use the medium of the letter to spread the gospel of Jesus. Today, there are so many tools available to use in preaching your word, Lord. Help me to be as innovative as St. Paul was. Help me to best utilize technology in my lessons so that I may capture the imagination of my participants and bring the power of your word to life. Amen.

Prayer from *The Catechist's Toolbox* by Joe Paprocki.
